

## Easter Egg Cozy

Easter is so full of color and warmth. Decorating for this time of year brings a smile to my child's face. The design is small and you can complete a small cozy in less than 2 hours.

**Loom:** All-n-One Loom, 24 pegs used.

**Yarn:** Approx 25 yds of worsted weight wool for body. Approx 10 inches of contrasting color yarn for embroidery. Sample used Knit Picks Swish Worsted in Pink and Black (for the face embroidery).

**Notions:** Knitting tool, tapestry needle.

**Gauge:** 10.5 sts x 17 rows= 2 inches in stockinette (not blocked).

**Size:** Fits a large size egg.

### Abbreviations:

K: knit stitch

P: purl stitch

CO: cast on (Sample uses the e-wrap cast on).

BO: bind off

BBO: basic bind off

Rep: repeat

St(s): stitch(es)

Rem=remainstrand of yarn in front of the peg, then work the peg as instructed on this row.

### Pattern notes:

After the item is complete, go back to the cast on edge and tighten it by pulling off the extra slack of yarn. Use this video on how to tighten the e-wrap cast on.

# INSTRUCTIONS

Set the AIO knitting loom to 24 pegs (see picture). 7 pegs from each long rail and 5 pegs from each of the two sliders. If you have two Sock Loom 2s, you can set one up with 2 sock loom sliders. The Sock Loom 2 with the 2 sliders, would be easier to maneuver.

Cast on 24 sts, join to work in the round.

**Round 1:** P to the end of round.

**Round 2:** K to the end of round.

**Round 3:** P to the end of round.

**Round 4-20:** k to the end of round.

Decrease rounds:

\*Loosen the bolts, slide each slider in ONE peg (thus decreasing by 4 stitches), tighten the bolts up again. Move the loops on the outside corner pegs (the loops that are not in the new square) to the inside pegs.

**Next round:** K to the end of round (treat the pegs with 2 loops as 1 loop).

**Next round:** k\*

Repeat from \* to \*: 2 more times. 16 stitches rem.

**Last rnd:** \*K2tog; rep from \* to end of round.

How to:

Move loop from Peg 1 to Peg 2; knit peg 2.

Move loop from Peg 3 to Peg 4; knit peg 4. Move loop from peg 2 to peg 3.

\*\*Tug gently on the working yarn to remove any slack on the yarn.\*\*

Move loop from Peg 5 to Peg 6; knit peg 6. Move loop from peg 4 to peg 5. Move loop from peg 3 to peg 4. Rep from \*\* to \*\*.

Move loop from Peg 7 to peg 8; knit peg 8. Move loop from peg 6 to peg 7. Move loop from peg 5 to peg 6. Move loop from peg 4 to peg 5. Rep from \*\* to \*\*.

Move loop from peg 9 to peg 10; knit peg 10. Move loop from peg 8 to peg 9. Move loop from peg 7 to peg 8. Move loop from peg 6 to peg 7. Move loop from peg 5 to peg 6. Rep from \*\* to \*\*.

Continue in this pattern all around moving the loop from the odd numbered pegs to the even number peg, knit the peg with the two loops. Before proceeding to the next set of pegs, move all the other loops closer, then tug gently on the working yarn to eliminate any extra slack.

Bind off with gather removal method. Weave ends in.

### Ears (make 2)

Set the knitting loom at 16 pegs (3 from each of the long rails, and 5 from each slider).

Leaving a 10 inch beginning yarn tail, cast on 10 stitches, only on the two sliders. Cast on 5 on one slider, then go directly to the opposite slider and continue casting on the other 5 stitches on this slider, join to work in the round.

**Rounds 1-14:** k to the end of round.

Bind off with gather removal method. Weave ends in.

With cast on tail, sew securely to the sides of the body.

### Face

Using the contrasting color yarn, embroider the little eyes, nose and mouth.
