

# Holey Cowl

Designed by: Christie Pruitt

*I set out to design a lace project on the Flexee Loom and this was the result. This pattern is not super easy—it takes some concentration and patience, but I feel it's well worth it. If you take your time, keep your stitches somewhat loose, you can easily make this cowl. This stitch pattern is from Barbara G. Walker's 'First Treasury of Knitting Stitches'. It's called Italian Chain Ribbing. I have modified the pattern for loom knitting.*

## ABBREVIATIONS

K: knit (use the true knit stitch)  
K2tog: Knit two together  
SSK: Slip, slip, knit  
P: purl  
yo: Lay working yarn across the front of the empty peg(s)  
Rnd(s): Round(s)  
Double Yarn Over is used over 2 pegs (See pic)

## PATTERN NOTES

The True knit stitch is recommended to easily work the lace portions. The uknit stitch tends to make stitches too tight.
