

Odds & Ends Baby Bootie Socks

LOOM: Baby-Knit Looms, using the small 24 peg loom.

YARN: Approx 60 yards of worsted weight Merino wool. Samples were knit using Red Heart Chic Sheep yarn.

NOTIONS: Tapestry needle, row counter (optional)

GAUGE: 11 sts x 15 rows=2-inches in stockinette

The perfect project to use all those little bits of yarn leftover from other projects. The little booties require a very small amount of yarn, and a pair can be completed in one afternoon.

ABBREVIATIONS

K – Knit
P – Purl
St(s)=stitch(es)
Rep=repeat
Rnd(s)=round(s)
Yo=yarn over

k2tog=knit two stitches together (place stitch from the peg on the right to the peg on the left, knit both loops as one).

The patterns all used little bits of left-over yarn from other patterns. When joining new yarn color, always leave enough yarn-tail to weave in the ends, at least 6-inches. When joining new yarn color, simply join it with a square knot (leaving a beginner yarn-tail end of at least 6-inches). Once you have completed the project, go back undo the knots, and secure all the yarn-ends by weaving them into the wrong side of the item. As always with any baby knitwear item, ensure that all yarn-tail ends are clipped close and that all stitches are small enough so that little fingers/toes do not get accidentally caught.
