Assembly:

Position the narrower edge of the Garter stitch bands around the bind off edge of the shawl.

Using the mattress stitch, seam the Garter Stitch bands to each side of the shawl.

Tips: if you want to make the shawl longer: simply follow Rows 1-23 as stated. Work more rows of Row 24 and Row 25, where this symbol ^ is located in the pattern.

If making it longer, the Garter Stitch Bands must be longer too. Count the Garter stitch ridges on the shawl (the edge stitches created a garter stitch edge), and match the number of garter stitch ridges on the shawl onto the Garter Stitch Band.
