STITCHES: Rib, Stockinette, and Honeycomb pattern

FINISHED SIZES: 34 x 44 inches

GAUGE: 2 sts X 3 rows=1 inch

INSTRUCTIONS

Cast on 64 stitches in Stockinette. Lay anchor yarn of any color, as it will be removed. Change to Rib stitch.

Work (6) rows in Rib stitch.

The Honeycomb Pattern is formed when you use 2 different weave patterns, each for 2 rows, and then keep alternating for the length of the throw.

HONEYCOMB SEQUENCE

Row 1: Wrap pegs 1-4, and 2-6 and continue wrapping every other peg at this angle. When you get to the end of the stitches, return by wrapping all pegs skipped. This will result in consistent wraps at end of loom. Hook over.

Row 2: Repeat Row 1.

Row 3: Wrap pegs 1-3, 2-5, 4-7 and continue for every other peg. Hook over.

Row 4: Repeat Row 3.

Repeat the HoneyComb Sequence (rows 1-4) until the throw measures approximately 42 inches, or until you have completed a desired, and matching sequence in the variegated yarn.

Work 6 more rows of Rib stitch.

Work one row in Stockinette stitch. Bind off loosely. Bind off at anchor yarn loosely. Gently pull out the anchor yarn. Weave in yarn tails.
