

Autumn Candy Corn Hat

Designed by Amanda Pratt

This pattern works in both single knit and double knit on the 'Rotating' Double Knit Loom. Single knit, using outer loom only for the brim, then switching to double knit for the body of the hat. What a great idea Amanda!

Note: Amanda's Honeycomb Stitch uses the rib stitch, wrapping in a figure 8 method, which is different from rib stitch taught by KB. Work with manner you feel most comfortable. Rib stitch video of both methods are included. The stitch pattern used in the pattern is also known as 'Honeycomb'.

LOOM: 'Rotating' Double Knit Loom, with 60 peg topper

YARN: Approx 200 yards of #5 Bulky weight yarn. Yarn Bee Tender Touch in Buttercup, Apricot, and Fleece were used

NOTIONS: Tapestry needle, tensioner, row counter (optional).

SIZE: Adult
