

# St. Patty's Beanie

Whip out this lucky shamrock beanie for one of your loved ones or for yourself.

**Loom:** All-n-One loom, set at 72 pegs (or any configuration of multiple of 8).

**Yarn:** Approx 140 yards of worsted weight yarn. Sample was knit using Knit Picks in Citrine (MC) and Macaw (CC).

**Notions:** Knitting tool, tapestry needle.

**Abbreviations:**

K: knit stitch. Recommend the knit stitch or the u-stitch; do not recommend the flat stitch or the ewrap.

P: purl stitch

CO: cast on (Sample uses the ewrap cast on to provide an elastic fit).

BO: bind off

GBO: gather bind off

Rep: repeat

Rnd: round

MC: Main color

CC: Contrasting color

PU: Pick up

K2tog: knit two stitches together. A right slanting decrease.

**Pattern notes:**

1. When working with two strands of yarn on the same row, be sure to pick up the yarns in the same order throughout the project. View this video for a few tips on working with colorwork.
2. Work your colorwork loosely, if you pull on the yarn too tight, the knitted fabric will pucker up.
3. Wet block or steam block after knitting.
4. Work chart from the bottom up, and every round starts on the right.

# Instructions

Set up the All-n-One loom to 72 pegs (or any other multiple of 8 stitches).  
Using MC, cast on 72 stitches, prepare to work in the round.

**Rnd 1-8:** \*k2, p2; rep from \* to the end of rnd.

**Rnd 9-11:** k to the end of rnd.

**Rnd 12:** Join CC, k to the end of rnd.

**Rnd 13:** PU, MC, p to the end of rnd.

**Rnd 14-16:** Cont with MC, k to the end of rnd.

**Rnd 17-24:** Follow chart to create the shamrocks.

**Rnd 25-28:** With CC, k to the end of rnd.

**Rnd 29:** PU CC, p to the end of rnd.

Cut CC leaving a 6 inch yarn tail.

**Rnd 30-50:** With MC, k to the end of rnd. Cut MC, leaving a 6 inch yarn tail.

Join CC.

**Rnd 51-54:** k to the end of rnd.

Decrease rounds

**Rnd 55:** \*k2tog; rep from \* to the end of rnd.

## How to

Move the stitches from the odd numbered pegs to the even numbered pegs. Knit the round, skipping the pegs with no stitches and treating the pegs with two loops as one loop. Remove stitches from the loop to a piece of scrap yarn—this is temporary.

Readjust the knitting loom to the new peg number configuration: 36 pegs. (Divide the cast on number of pegs by 2).

Place the stitches back on the knitting loom.

Gently tug on each of the stitches, starting with the first peg, to remove any of the extra slack in the yarn.

**Rnd 56:** Rep Rnd 55.

Bind off with the gather removal method.

Weave all ends in. Steam block or wet block to set the stitches
