Place these 19 sts onto one of the double pointed needles, cut yarn leaving a 20 inch yarn tail. Once both halves of the headband are completed, use the kitchener stitch to join both sides together at the center.

Option: If you prefer not to do a kitchener stitch, bind off the 19 stitches after completing each half. Once completed, use the mattress stitch to join both halves together.

FINISHING

Thread tapestry needle with yarn, at the center point where the two halves were joined, gather it into three small folds, using the tapestry needle, sew the pleat down.

Button loop—using crochet hook and one of the beginning yarn tails, single crochet along the triangle until you reach the pointed edge, chain 4 at the point to create the button loop, then continue single crochet along to the end of the triangle point.

Button—on the opposite side, at the point, secure a small decorative button.

Block to open up the eyelets in the lace.
