Next row: p

Bind off with basic bind off method.

FINISHING

With crochet hook, use tail from bind-off edge to work single crochet along bind-off edge as follows: work along first ½ inch of edge, chain 8; reattach crochet along edge and work single crochet to the end. Break yarn and draw through last stitch, pull tight.

Sew a button to the cast on edge of headband, opposite buttonhole. Weave ends in and block lightly.
