

Jordyn's Slouchy Hat

Loving the latest nonchalant style in hats, a soft slouchy look that provides you with a sense of softness and youthfulness. Jordyn's Slouchy Hat is named after my beautiful model who provides the hat with the perfect attributes.

Loom: All-n-One Loom, using 102 pegs.

Yarn: 160 yards of main color in worsted weight yarn. About 20 yards of 6 different color worsted weight yarn (20 yards of each). Knit Picks Swish Worsted in Wonderland Heather was used for main color. Knit Picks City Tweed Aran in Lemon Curd, Tahitian Pearl, Jacquard, Cobalt, Orca and Obsidian were used for contrasting colors.

Notions: knitting tool, measuring tape

Gauge: 20 sts x 24 rows=4". Row gauge is not important as you can knit more rows. Stitches per inch is of importance.

Abbreviations:

k=knit stitch

p=purl stitch

Cont=Continue

CF2=Cable involving 2 stitches; cable leans to the left.

How to: Skip peg 1 with yarn towards the back of the peg. Knit peg 2. Place stitch from peg 2 on cable needle (or simply hold it with your fingers. Take yarn to the front of peg 1. Knit peg 1. Place stitch from peg 1 on peg 2. Place stitch that you are holding on the empty peg 1.

TASSELS (Make 2)

Cut 12 lengths of yarn (choose the colors you like the most), about 40 inches long each piece.

Hold them all together at mid length (about 20 inches)

Using a crochet hook, pass the crochet hook through one of the stitches at the sides of the hat.

Make a slip knot with the tassel so the knot ends up as close to the brim of the hat as possible.

You should have 24 strands of yarn.

Divide the yarn strands into three groups of 8. Make a braid with the three groups of 8. Once the braid reaches desired length finish the braid with a slip knot. Clip the remainder of the yarn strands to an even length, leaving about 1 inch of length at the end of the knot.

Repeat for the tassel.
